"We are mindful that, in the Holy Land, the anniversary of the appalling attacks by Hamas on Israeli citizens falls on Monday 7th October. To date, 41,000 people have been killed in Gaza, including Israeli hostages, while other hostages remain illegally detained and at grave risk. The potential for a severe escalation has been heightened by the related conflict in neighbouring Lebanon, where only this week over one million people have been displaced. At this time we pray in a special way for members of the Irish Defence Forces on peacekeeping mission in the region.
